At Class 1 Orthodontics, we are dedicated to ensuring your smile stays sensational long after your braces or clear aligner treatment is complete. Life can sometimes get in the way, and we understand that retainers may be forgotten, misplaced, or not worn as intended. That's why we've got you covered with our exclusive Smile Guarantee.

**Here's how our Smile Guarantee works:**

**Our Specialized Solution:** With our unique uLab 3D printed aligners, our specialist orthodontist can correct the alignment of your teeth if they've shifted due to retainer non-compliance.

**Simple Payment Options:** You have two convenient choices for our Smile Guarantee.

1. **Upfront Payment:** Pay a flat fee of \$1900 at the beginning of your treatment, and you're covered under our Smile Guarantee.
2. **SmileNow Payment Plan:** Opt for our SmileNow payment plan (facilitated by DentiCare) and pay \$2000 in easy instalments. This plan includes the benefits of our Smile Guarantee.

**Additional Aligners:** Should you need or desire more aligners after the first scan, each aligner will be quoted individually. If you decide to proceed with the additional aligners, the payment for each aligner must be made upfront and in full, as stated on the quote.

**With Class 1 Orthodontics' Smile Guarantee, you can confidently embrace your perfect smile once again. Don't let life's interruptions dim your sensational smile.**
