

Everybody
deserves a
sensational
smile.

Now that smile is even easier to achieve with our family discount plan.

Class 1 will reduce the fee of your family's second Invisalign or braces treatment by **15%** if both family members are in treatment at the same time. That's a saving of over **\$1,000***.

With FREE CONSULTATIONS and INTEREST FREE finance there has never been a better time to get the smile of your dreams.

To book your FREE CONSULTATION call 1300 922 722, visit us at www.class1ortho.com.au or speak to any of our friendly staff.

Do it now, you deserve it.

***CONDITIONS:** Saving of over \$1,000 is based on a standard full fee Invisalign or braces treatment. Family discount only applies to parents, primary care givers and their children. Initial family member treatment must be full fee Invisalign or braces. Discount applies to the second commenced treatment. If two treatments commence simultaneously the discount will apply to the treatment of lower value. Patients with private health insurance will have a 'no gap' consultation with no out of pocket costs. Offer subject to review.
